What kind of certification is available for the USMBOK™?

Ian Clayton: USMBOK Author - 2015-12-10 - 0 Comments - in USMBOK Certificate Program

Presently there is a Foundation level certificate for the Guide to USMBOK™, which consists of an open book exam with 100 multiple-choice questions completed within 2 hours. There are plans to introduce additional certificate exams on other aspects of the USMBOK™ publications in the future; more information will follow on this as it is available.
